Notice of Proposed Regulatory Action

Addendum: Time of Public Hearing

The California Regulatory Notice Register dated March 14, 2008 indicated that the Physical Therapy Board of California is proposing a regulation that would add section 1398.12, Use of "Dr." in a Health Related Science and amend section 1399.15, Disciplinary Guidelines. The Physical Therapy Board of California will conduct a public hearing on these proposed regulations on May 1, 2008, at 10:30 a.m., at Fresno State University, Kremen Education Building, Room 140, 5241 North Maple Avenue, Fresno, CA 93740. The original Notice of Proposed Regulatory Action inadvertently failed to specify the time of the regulatory hearing.
